Dear Mayor and Councilmembers:

Thank you for the opportunity to serve as the City Attorney for the City of Fate; it has been our pleasure to serve the City for many years. Unfortunately, we are at a point where we can no longer continue to represent the City, so please consider this letter as Messer Fort's (the "Firm's") written notice to the City of its termination of the legal services.

Upon termination of our services on July 20, 2026, the Firm will no longer represent the City. We will be happy to assist in the transition of any matters to your new legal counsel.

We have enjoyed the opportunity to represent the City and the achievement of many significant accomplishments and landmarks made through the years. We wish the City success in its future endeavors.

Very truly yours,
Messer Fort, PLLC

Andy Messer
